

You can now buy electricity for your prepayment meter whenever you need to day or night, weekdays or even on the weekend - just by sending an SMS. (Standard SMS rates apply)

STEP 1

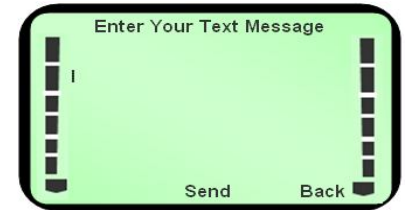

Ask for a UniPIN voucher at your local shop

STEP 2

The UniPIN Voucher Pin Number is located at the bottom of your receipt.

STEP 3

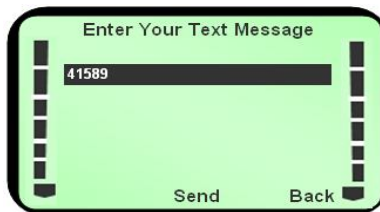

To redeem your 20-digit voucher, just open a new blank SMS

STEP 4

Type in your 11-digit meter number, followed by * (star) and the 9-digit UniPIN voucher number.

STEP 5

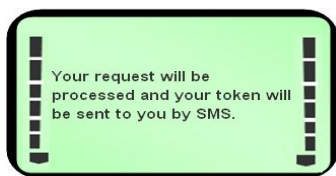

Send the SMS to 41589 (Standard SMS rates apply)

STEP 6

IMPORTANT: Confirm your meter number and PIN value by pressing 1.

STEP 7

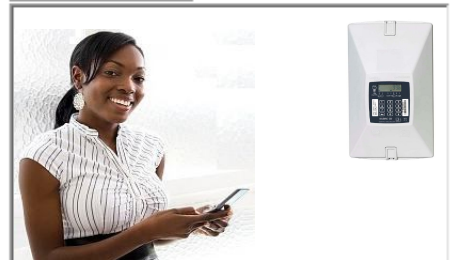

You will receive an automated response text message: "Your request will be processed and your token will be sent to you by SMS"

STEP 8

You will receive an SMS back with your 20-digit electricity token number.

STEP 9

Enter the 20-digit token number into your prepayment meter keypad to receive electricity

- Easy to use and understand in denominations of R20, R30, R50, R100, R250, R500
- Redeem voucher by making a call: Dial *120*41589*PinNumber*MeterNumber# and Press "Dial"
- Should the key entry of the 20 digit Prepaid Electricity token fail, or yield an error message, Cigicell provides a call centre service at the number reflecting below which is made available to assist customers, 7 days a week.
